JAMES T. RICHARDS

AFFIDAVIT IN SUPPORT OF
MOTION FOR ACCESS TO
NEEDED DOCUMENTS

I, JAMES T. RICHARDS, HEREBY DECLARE:

- (1) That P.C.C.C. limits the amount of legal documents in a prisoner's cell to seven inches in height;
 - (2) That I ~~do~~ need to go through thousands of documents far exceeding seven inches ~~in~~ in height, and which probably exceed sixty (60) inches in height;
 - (3) That it should only take me 3-4 weeks to go through all the documents to find those I need;
 - (4) That without going through the documents which are currently stored at my parents' house, my defense will be substantially to critically impaired;
 - (5) That more than two weeks ago I made a request to the Director of Security at P.C.C.C. that I be allowed to have the documents in question in my cell so that I could go through them and find those I need, but I never received a response to my request.
- Signed This 9th day of May, 2004 under the penalties of perjury. — James T. Richards
